CROWDFUNDING

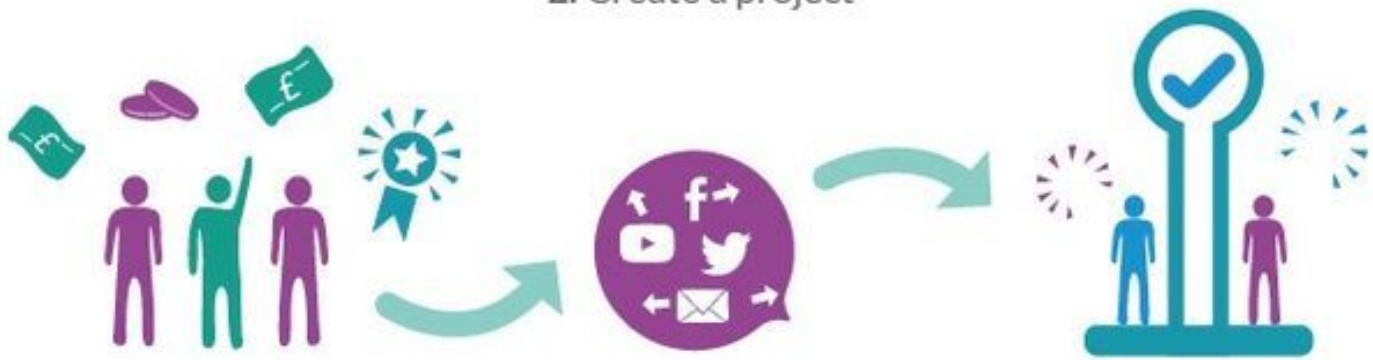

How crowdfunding Works

1. So you've got an idea?

2. Create a project

3. Tell your crowd

4. The crowd pledges cash in return for rewards

5. The crowd shares the project with friends

6. Hit your target and turn your idea into reality

4 TYPES OF CROWDFUNDING

REWARDS

Pre-order products

Support innovation & creativity

Business >> Customer

EQUITY

Invest to receive company shares

Startup >> Investor

Nonprofit >> Donor

Support charitable & personal causes

DONATION

Borrower >> Lender

Lender receives yield / interest

LENDING

AND NOW…

SET UP YOUR CROWDFUNDING CAMPAIGN IN THE ICT WORLD!

REMEMBER TO CONSIDER and DETAIL THE FOLLOWINGS:

1) Your idea & goal
2) Your audience
3) Potential press connections, networks & marketing
4) Legal matters (Type of crowdfunding)
5) Timeline
6) Budget
7) Perks for your backers

GUIDELINES:

- You'll be divided into groups
- You'll need:

- A presentation (editable) **detailing** all points and leading you during the showing of your project
- To send your presentation to your teacher via email for corrections (1 per group)
- To upload your presentation on the platform (each group member)
- To present your work to the class together with your group
